General Terms and Conditions

- Students must be U.S. citizens, nationals, or U.S. permanent residents, admitted to the University, and enrolled at least half-time (6 credits) for federal and state financial aid consideration.

- To continue to receive financial aid students must make Satisfactory Academic Progress (as defined in the Undergraduate Bulletin).

- Students must not be in default of student loans, and must demonstrate financial need.

- Merit scholarships are only available to new, incoming students who complete the application process by the posted deadline.

- The University will notify students in writing if they have been selected for a merit scholarship/award, and include the award on the Madonna University Financial Aid Award Letter.

- Scholarship recipients are selected by a committee, at the sole and absolute discretion of the University, leveraging several criteria which include, but are not limited to: cumulative grade point average, standardized test scores, community involvement, personal accomplishments, documented financial resources, and/or strength of scholarship application.

- Scholarships/awards are renewed, provided the student maintains academic progress. Scholarships/awards only apply to the fall and winter semesters. MU scholarship/award amounts may be reduced, if federal, state, and other scholarships and grants awarded to the student would exceed tuition costs.

- Undergraduate scholarship recipients are required to be enrolled full-time (12 or more credits per semester). Credits earned through AP, College-Level Exam Program (CLEP), Prior Learning, and/or course competency examinations are not included for full-time enrollment status.

- All scholarship recipients are encouraged to submit the FAFSA for other financial aid consideration.
