

School of Business Faculty Presents in United Kingdom!

Dr. Matilda Isaac-Mustapha, presented “The Moderating Effect of Transformational Leadership on the Relationship Between Ethical Organizational Climate and Job Satisfaction” at Brunel University in Uxbridge, London, April 7-8, 2017. The paper was presented at the 2017 Annual MBAcademy Organisational Change Culture Conference. The aim of MBAcademy is to bring together academic and professional researchers, scholars and students to exchange and share their research about all aspects of business, management and marketing.
