

## **Information on Noncredit Undergraduate Level Nursing Home Administration Courses at Madonna University**

There are three courses, each three semester hours, which comprise the nursing home administration (NHA) undergraduate pre-licensure courses at Madonna University. You don't have to be admitted to the University to take the NHA courses as noncredit.

Non-credit courses do not qualify for academic credentials, and can never be applied to an academic credential. Upon request, the non-credit student who successfully completes a course may secure a certificate of attendance for each course.

Unfortunately, financial aid is not available for noncredit courses or for academic credit certificate programs, but you can seek an alternative loan. In academic year 2018-2019, noncredit courses are \$425/semester hour or \$1,275 for each three semester hour course.

Here is the registration web page for noncredit: <http://www.madonna.edu/noncredit> You can register in person or online. You can pay online either by credit card (with a 2.9% fee) or by e-check. For noncredit, you will have to pay for each course at time of registration.

### **Upcoming Courses**

Fall, 2018

Face-to-face classes:

AGE 4870 Nursing Home Administration I, Section: AGE 4870 00 01 00, 3 sh
