

## RN REFRESHER COURSE

### CPS 4200 (Sec 01)

February 12 – 28, 2018

### Course Highlights

This course, offered by Madonna University's College of Nursing and Health, has been designed for nurses who have been out of clinical practice for longer than two years and are wishing to return to an adult setting in acute care, home care, and/or long term-care.

The RN Refresher Course is intended to assist the nurse in completing agency orientation with confidence. An update on adult medical-surgical conditions commonly encountered in hospital, home care, and long-term care settings will be provided. A system's approach will be utilized with each condition. General concepts of professional and legal accountability, critical thinking skills, assessment, documentation, pharmacology, delegation, clinical practice guidelines, and discharge planning will be presented.

**This 9-day course will be held on Madonna University's main campus in Livonia. Classes will meet 8:30 a.m. – 4:00 p.m. on the following dates:**

**Week 1: February 12, 13, 14**

**Week 2: February 19, 20, 21**

**Week 3: February 26, 27, 28**
