

2016-2017 Financial Aid Profile

The *Madonna Financial Aid Profile* must be completed before we can disburse your financial aid. Please answer all of the questions below.

Title IV Payment Authorization: Federal financial aid regulations permit Madonna University to credit Title IV Aid (Pell, FSEOG, and Direct Loans) to your account for the cost of tuition, fees, and if you live on campus, charges for housing and meals. Any excess funds remaining must be refunded to you, unless you give us permission to pay additional charges from Title IV aid.

If you give us permission to pay additional charges from your Title IV aid:

- Once financial aid is applied to your account, and after your tuition, fees, housing and meals are paid in full, **you can use a portion of any excess funds to purchase books and supplies.** Book funds are available two (2) weeks prior to the start of the semester and are automatically refunded by the method you chose when you activated your Madonna OneCard. (New students will receive a Madonna OneCard and instructions prior to their first semester.) If money is refunded and your financial aid or account balance is adjusted, any balance owed is your responsibility.
- Any additional charges on your account will be paid up to the amount of your Title IV program aid.
- Any remaining funds left on your account will be refunded to you.

If you do not give us permission to pay additional charges from your Title IV aid:

- **You will not be given a book refund to purchase books.**
- Any Title IV aid remaining on your account will be refunded to you. However, you will be responsible for any unpaid charges remaining on your account.
- You may incur late payment penalties if you do not pay the remaining balance when due.
