For
*Veterans Day***

This day is a day of remembrance for all those who fought for something larger than themselves. On this day, we honor those devoted individuals who fought to gain independence in the Revolutionary War, and those who continue the fight for our way of living and ideals that are being threatened by ISIS. On this day, we must remind ourselves to respect these servicemen and women's noble sacrifice to our country, so that we, the people living in the land of the free, shall remain free and continue onward with our democracy and way of life. On Behalf of the Madonna University Student Senate, we say thank you for all you have done and continue to do, and we are here to support you just as you have supported us.

“A man who is good enough to shed his blood for the country is good enough to be given a square deal afterwards.”

- Theodore Roosevelt 26th President of the United States

Lost Wars Dedicated to Remembrance and Veterans Day

When on Remembrance Day
There is no one at the parade
The war is lost
Dead heroes died in vain
This shall be a country's shame
