"I am in love with nursing again and confident that I will give safe care . . . I highly recommend this class to RN's trying to re-enter the nursing field."

COURSE HIGHLIGHTS

This course, offered by Madonna University's College of Nursing and Health, has been designed for nurses who have been out of clinical practice for longer than two years and are wishing to return to an adult setting in acute care, home care, and/or long term-care.

The RN Refresher Course is intended to assist the nurse in completing agency orientation with confidence. An update on adult medical-surgical conditions commonly encountered in hospital, home care, and long-term care settings will be provided. General concepts of disease management, professional and legal accountability, critical thinking skills, assessment, documentation, pharmacology, delegation, clinical practice guidelines, and discharge planning will be presented.

For more information or help with registration please email Laura Van Horn at lvanhorn@madonna.edu

COURSE FEES AND REGISTRATION

The \$850 course fee includes all instructional materials and handouts. Early registration is encouraged since seating is limited. A campus parking permit is required and included in the course fee.

Register for CPS 4201 for an additional fee of \$200 for optional certification of skill competency (includes skills required for MI relicensure).

Sessions are as scheduled:

Skills review and practice: October 22-23, 2024, 4:00pm - 6:00pm.

Check offs: October 29-30, 2024 4:00pm - 6:00pm.

COURSE OUTCOMES

After participation in this continuing education activity, the learner will have increased knowledge of evidence based nursing practices in providing care to patients in the acute and long-term care settings.

COURSE CONTENT

- Updates on nursing practice issues
- Health assessment and illness prevention
- Pain management
- Gastrointestinal and Renal disorders
- Endocrine disorders
- Infectious diseases
- Cardiovascular disorders
- Neurological disorders
- Respiratory disorders
- Orthopedic disorders
- Hospice and palliative care
- Nephrology

Teaching Learning Strategies

A variety of teaching-learning strategies will be taught by the undergraduate and graduate faculty of the College of Nursing and Health and utilized in this course, including presentation, class discussion, laboratory demonstrations, and skills lab practice sessions.

“After 10 years absence in practice, I needed all of this!”

“Loved that each instructor had years of experience and knew the latest evidence for RN practice.”

CONTINUING EDUCATION

The learner will be awarded 48 contact hours for attendance at the entire event and completion of the evaluation.

Madonna University is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's (ANCC) Commission on Accreditation.
