

Madonna University Core Curriculum for Baccalaureate Degree

Transfer Options for Satisfying Core Curriculum Requirements

Students may satisfy Madonna University's Core Curriculum requirements in two ways. For guidance on the best option for your situation, please consult both your Henry Ford College (HFC) and Madonna University (MU) advisors, and refer to the resources noted below. Madonna University will apply a maximum of 74 credits from community colleges unless otherwise stipulated in another agreement.

OPTION #1: Completing MU's Core Curriculum through MTA or MACRAO

In many cases, completing the Michigan Transfer Agreement (MTA) is beneficial for fulfilling MU's Core Curriculum requirements. When transferring with MTA or MACRAO, students must also satisfy the Signature Courses listed below. (MACRAO students refer to the current undergraduate catalog linked below for full information and requirements.)

OPTION #2: Completing MU's Core Curriculum by Individual Goal

For this option, each of the Core Curriculum goals must be fulfilled by completing at least one course of 3 or more credits as outlined in the table below.
