

Madonna University Core Curriculum for Baccalaureate Degree

Transfer Options for Satisfying Core Curriculum Requirements

Students may satisfy Madonna University's Core Curriculum requirements in two ways. For guidance on the best option for your situation, please consult with both your Mott Community College (MCC) and Madonna University (MU) advisor, and refer to the resources noted below. Madonna University will apply a maximum of 74 credits from community colleges unless otherwise stipulated in another agreement.

OPTION #1: Completing MU's Core Curriculum through MTA or MACRAO

In many cases, completing the Michigan Transfer Agreement (MTA) is beneficial for fulfilling MU's Core Curriculum requirements.
