

## Madonna University Core Curriculum for Baccalaureate Degree

### Transfer Options for Satisfying Core Curriculum Requirements

Students may satisfy Madonna University's Core Curriculum requirements in two ways. For guidance on the best option for your situation, please consult both your Oakland Community College (OCC) and Madonna University (MU) advisors and refer to the resources noted below. Madonna University will apply a maximum of 74 credits from community colleges unless otherwise stipulated in another agreement.

#### OPTION #1: Completing MU's Core Curriculum through MTA or MACRAO

In many cases, completing the Michigan Transfer Agreement (MTA) is beneficial for fulfilling MU's Core Curriculum requirements. When transferring with MTA or MACRAO, students must also satisfy the Signature Courses listed below. *(MACRAO students refer to the current undergraduate catalog linked below for full information and requirements.)*

#### OPTION #2: Completing MU's Core Curriculum by Individual Goal

For this option, each of the Core Curriculum goals must be fulfilled by completing at least one course of 3 or more credits as outlined in the table below.

| MU Core Course Requirements                                                                                                                                                      | Oakland Community College Options                                                                                                                                  |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>CC-1A Written and Spoken Communication: Written Communication</b>                                                                                                             | Choose two: ENG 1510 and ENG 1520                                                                                                                                  |
| <b>CC-1B Written and Spoken Communication: Personal and Public Communication</b>                                                                                                 | Choose one: COM 1290 or COM 1600                                                                                                                                   |
| <b>CC-2 Intercultural Knowledge</b>                                                                                                                                              | Choose one: ART 1560, ENG 2540, FSH 1500, HUM 1510 HUM 1520 or MUS 1560                                                                                            |
| <b>CC-3 Civic and Global Identity</b>                                                                                                                                            | Choose one: BUS 2150, HIS 1550, PHI 1510 or POL 1510                                                                                                               |
| <b>CC-4 Social Sciences</b>                                                                                                                                                      | Choose two (from different subjects): PSY 2510, PSY 2820, SOC 2510, SOC 2520, SOC 2550, or SOC 2610                                                                |
| <b>CC-5 Mathematics</b>                                                                                                                                                          | Choose one: MAT 1125, MAT 1150, MAT 1500, MAT 1525, MAT 1540, MAT 1560, MAT 1580, MAT 1600, MAT 1630, MAT 1730, MAT 1740, MAT 2530, MAT 2740, MAT 2810 or MAT 2880 |
| <b>CC-6A Scientific Inquiry: Biological Sciences</b><br>(at least one of the courses in either the Biological or Physical Sciences must include a laboratory science experience) | Choose one: BIO 1500, BIO 1511, BIO 1530, BIO 1560, BIO 1570, BIO 1600, BIO 1650, BIO 2540, BIO 2560, BIO 2630, BIO 2640, BIO 2660, BIO 2710, or HEA 1510          |
