

ACCESSIBILITY SERVICES

Sensitive to the needs of individual students, our staff is committed to the philosophy of full integration of the student with disabilities, health conditions, and mental health conditions into campus life. We make reasonable accommodations as we work to provide:

- Access to educational opportunities
- An environment that fosters better understanding of all learning styles
- Opportunities for social, leadership, and self-advocacy development at Madonna University

ELIGIBILITY FOR SERVICES

Students must submit documentation of their disability to the Office of Accessibility Services in order to be eligible for services and accommodations. Out of respect for each student, we strictly adhere to the institutional policy regarding confidentiality.
