

If you have COVID-19 Symptoms

If you are exhibiting symptoms of COVID-19

Do not come to campus. If already on campus, go home or to your residence hall room. Get tested. If results are positive, follow the tested positive decision tree.

Isolate for 5 days
Day 0 is first day of symptoms. Day 1 is the first full day after symptoms developed.

Complete and submit the Employee COVID-19 Disease Reporting Form and notify supervisor.
